Enrolling in Lucy Chen Accounting Group P/L's Practical Accounting training program in November 2005 has proven to be an extremely wise choice for my career.

After 4 months of formal training, I can confidently say that Lucy Chen Accounting Group really deserves the high reputation it has achieved regarding superior training quality.

Ms Lucy Chen possesses a comprehensive set of professional skills and practical experience which she has accumulated through a long and successful professional career.

Moreover, she has a charming personality and consummate professional demeanour, which make her a very effective and pleasant hierophant for me and other trainees.

The training program covers most areas related to professional accounting.

The exercise material is modified based on real-life cases, with the goal of developing the trainee's theoretical understanding and practical competence.

In addition, Lucy continually shares her valuable experience with us and discusses with each individual trainee their strengths and weaknesses based on her professional observations.

She sincerely tries to help us overcome our disadvantages.

In four months of training, I've learned a new set of practical professional skills, and as a result I feel empowered and confident in my abilities.

In fact, I was recently offered a job as accounting clerk. These emerging opportunities would not have been possible without Lucy's help.

Lucy Chen Accounting Group's training program has jump-started my future, also accelerates my career life

. Thanks Lucy!

Your Sincerely,
Matthew J. Bai

親愛的LUCY,

非常感謝您在這幾個月對我的幫助。

自從學校畢業後我一年多都沒有找到工作，被拒絕的原因都是因為沒有相關的經驗。

正在我為此感到擔心時，一個朋友把我介紹到你這裡來學習。

通過在這裡的學習，我學到了很多在學校書本中學不到的知識，得到了很多實際的工作經驗，並且在一個月找到了第一份工作，並且在第一天就可以上手。因為那些知識都是在你這裡學到過的。

再次感謝您對我的幫助和教育。

短短的三個月時間的培訓給我提供了非常寶貴的會計經驗。

尤其是會計軟件應用方面讓我自己覺得不再是一個新手。

其中的涵蓋領域相當廣，我並且非常欣賞從難到易的教學方法，配合手把手的指導，可以在限定的時間得到最好的效果，以應付各種方面的難題。

此外，課餘的持續性練習讓我不斷的加深對會

計原理的理解，從而進一步為自己將來踏上工作崗位增添了信心。

如果能夠對學生提供一些課外的，以學生興趣為指向的研究輔導，我認為也許會對學生的主動性以及職業目標提供更直接的幫助。

感謝LUCY CHEN ACCOUNTING & BOOKKEEPING TRAINING COURSES給了我學習和實踐的機會，這些是大學裏所學不到的。

經過幾個月的學習和實踐，我越來越有自信，也找到了我的第一份工作。

我誠摯的感謝LUCY CHEN給我的幫助，鼓勵以及機會。

LUCY CHEN的培訓非常注重實踐，採用實用教材和'真帳實習'相結合的方式，讓你能夠把學習得到BOOKKEEPING技能很好的應用到實際的工作中。

有了真帳實習的經驗，在找工作時你更能夠充滿自信，在實際工作中你更能很快適應和運用所學的知識。

LUCY CHEN 作為一位CPA MEMBER，有豐富的實踐經驗和會計知識。當我在學習中遇到問題時，她總是認真的講解和回答，使我真正完全理解。

在我工作中，她依然耐心的幫助我，使我順利接手新的工作。這些是在學校所學不到和不可能有的。

現在，我有了一份非常滿意的會計工作，而且我工作得很自信和輕鬆，我的老闆也認同和欣賞，這些都離不開之前的學習和實習。

在此我衷心感謝LUCY CHEN，如果沒有參加她的簿記培訓，我是不可能這樣順利找到我滿意的工作的。在此，再次表達我衷心的感謝！！

我希望LUCY CHEN ACCOUNTING AND BOOKKEEPING TRAINING COURSES 可以幫助更多的人實現他們的理想，發展他們的事業。

When I first graduated my Accounting Bachelor Degree, I was confident at that time that I could find a job.

I send hundreds of resumes, emphasis my Uni degree and my "apparent" skills, and then wait for replies with great expectation. However, things I only got are reject letters.

At that time I was desperate to look for a job, or just an interview. Then I saw Lucy's advertising.

Before I know if you have some related work experiences it'll put you on an advance position when looking for a job, but I didn't think it's consequential.

At that time I only thought that training can put something extra on my resume, so I went to Lucy's office to take the training.

I even bought a book for MYOB, quickly skim through, and think I can finish the course very quickly.

To my great surprise, when I first met Lucy, She gave me a test, only pass that I was allowed to study.

My academic result was not bad, the test was not hard, just used some real invoices.

However, I was shocked that even I can remember several AASB standards; I could work out that test!

Though finally I retry, and get through, till now this re-

minds me everyday, the real experience is much important than I previous thought.

Lucy's course was brilliant. It's not simply train you how to use MYOB, but the fundamental concept behind the using MYOB.

Lucy understand us, we have relatively good accounting theory, but very poor sense of the real accounting industry or real business structure.

So she develops this specialized course, and till now, this course outline is updated every period.

She also knows that only practice makes experience, so there are many REAL LIFE cases (not text book one) for us to practice.

I must say, after complete those cases, I am confident I really gain the work experience, and learned even more than someone who's working a full time position for the same period!

Actually many CPA are good at handle accounting issues, but fewer of them want to teach others, even if some of them want to do so, they don't know an appropriate way to do it.

Lucy was not only a CPA with many years experience on Accounting, but also a certified Trainer who got license and teaching experience.

Besides, she was dedicating to teach others, help them to achieve success.

So from her you can expect a great return from her course.

After I just started the course, my resume got replied and finish a found an accounts receivable job.

I was very impressed my boss told me on my interview – as he saw I was undertaking a course even after I finished the Uni, he thought I'm the right candidate.

My name is Jay Lin and I studied Lucy Chen's Accounting & Booking training course few months ago.

At that time I was a graduate accounting student and looking for jobs.

Many jobs required MYOB skills but my university course didn't include any training of MYOB or similar software.

I found Lucy's training course advertisement on newspaper and I thought it was a good opportunity.

The course was one-on-one base and all the examples were from real cases.

This not only gave me a lot of opportunity asking questions, it also helped me to solve problems of day-to-day accounting activities, which I couldn't learn from university.

Lucy is an experienced accountant and is a very good teacher.

She knew students' weaknesses and helped them in a simple and direct way.

The course notes included most of the useful information and were easy to follow.

In additional, Lucy helped me to get my first accounting job and gave me great help and support when I had problems.

The course was very practical and I recommend to someone who wants to learn MYOB or improves his or her bookkeeping skills.

To be an "accountant manager" is my dream and mission since I have been in Australia.

Unfortunately, despite my outstanding academic result, hardworking attitude and hundreds of resume, the lack of accountancy experience has turned me off from being considered as a suitable candidate.

However, three months real-world working experience from Lucy Chen Accounting Group has changed my dilemma.

The series of training manuals and enormous amount of case studies offered by Lucy Chen Accounting Group are very comprehensive and cover most of the accountancy skills and Tricks you need to know for Small to Medium size Companies.

The completion of the training course has substantially increased not only my knowledge of accounting in the real world but also my confidence to achieve my goal.

Here I am today, the system accountant and the accountant manager of The Australian Diamond Company.

More to it, Lucy Chen has been giving me advice and tips to solve problems whenever I rang for support.

To me the investment I have made from the Lucy Chen Training Package has been highly rewarding and worthwhile.

Thank You Lucy!

亲爱的朋友，当你看到这封信的时候，可能对于你来说好像是在读一封广告，但对于我个人来说，这是我对LUCY CHEN发自内心的感谢。

就像很多人一样，读完大学以后，我开始尝试着找工作，希望在这个属于别人的世界找到属于自己的一片天。

我怀着无比的热情在网络上漫游，时间一天天的过去了，但是但是无论我怎样努力，都是无济于事。

就在我对自己的前途感到灰心的时候，我偶然的发现的刊登在免费报纸上的Lucy 广告。

广告的内容虽然很简单，但是上面写着提供工作经验却吸引了我，我抱着看看的态度去那里参观了一下。

刚好当时有我的一个认识的朋友正在那里，于是她应Lucy 的邀请，就先大概像我揭晓了一下情况，让我印象最深刻的是在她还没完全毕业的时候，她已经找到工作了。

于是我就下定决心，虽然收费是贵了一些，但是为了自己可以早些找到工作，我认为还是值得的。

于是我在两个星期后就开始上课了。

第一天上课的前几个小时还觉得有点失望，应为 Lucy 讲解的全部都是我己用几年时间学习过得了。

没过一会儿 Lucy 就让我们自己开始动手做模拟case，如果有不懂得问题，直接问她就可以了。于是这样的练习就从这个时候正式开始了。

这样子的练习一直持续到我在Lucy 那里的学习。

虽然只有短短的几个月，但是这几个月所积累到的知识可能是你根本无法想象到的。

因为所涉及的Cases 有很多种，所以遇到的问题也包括很多方面。

真正的了解到会计知识，不是从书本中学到的，而是在实践中积累的。

最初开始的时候，我和朋友聊天的时候谈到我到 Lucy 那里学习的时候，朋友们都笑我很傻，花几千块钱去买经验。

但结果证明了他们都错了。在还没有真正从 LUCY CHEN 完成学业的时候，我也找到了一份工作。

刚刚上班的第一个星期，每天都心惊胆战，害怕不知道从那里着手，但是当我安静下来的时候，静静的想一想自己在LUCY CHEN那里做练习时的每一步，我渐渐得让自己冷静，开始慢慢的条理自己。

每当我遇到困难的时候，我会寻求 Lucy 帮助，虽然只是一个电话，但是她让我感觉到我不是孤军作战，而是有一个好朋友，一个好老师在我的身旁辅助我。

现在的我在单位虽然不是顶梁柱，但是我的成绩是每一个人都可以看得到的，我用我的实际行动告诉别人，我是可以的。

真的很感谢Lucy给与我的帮助。真心的希望她的教育之路越办越好，也希望她那里的学生都可以有一个美好的开始。对于会计行业，美好的开始，就意味着会有一个美好的将来。”

My name is Rona, I am studying a double degree at Monash University.

Last year after I have completed my Commerce degree, I took the MYOB training course at Lucy Chen Accounting Group.

During the 3-months Course, I gradually built up practical accounting and MYOB skills, which I have never learnt in my university studies.

Lucy not only taught me how to apply accounting theories in real life situations, but also guided me through the process of confidence-building and job hunting.

Now I am doing a part-time bookkeeping in a small business, I realise that all the skills I have gained during the course are essential for performing the bookkeeping tasks.

Lucy still provides me helps and assistances when needed, which is very handy.

Thanks to Lucy, who equips me with the skills and confidence to present myself the job market, and now be able to work as a qualified bookkeeper.

-Rona Wang

Dear Lucy:

Thank you so much for helping me to get my first job in a CPA firm.

Although with 7 years working experience in China and a master degree of Professional Accounting in RMIT, I was frustrated to get a job in Australia due to the lack of local experience.

Since I have been noticed that there is an Accounting Bookkeeping Training Program held by Lucy Chen, I had no hesitate to take this course.

From the course I have got hands on experience in dealing with the real world documents and have gained the problem solving skills, which I could not learn from university.

Apart from gaining those accounting skills; I've also learned the way to be a professional, which always have

to be calm and confidence just like Lucy does,

During the course, I had a several chances to be introduced by Lucy to her business clients and partners, who need bookkeepers.

Thanks to Lucy's recommendation, I finally got a job in a CPA fine.

Although the money that I spent on the course is more than \$3000, I have no regrets on that, as comparing the job that I've got at this moment, it's worth every cents.

Here I could like to leave my contact number as a reference, any one who is interested in this course and need a confirmation, you may contact me on 0403 577056 after 6:00PM.

我认为Lucy Chen accounting 培训确实实用,所用教材皆为会计师楼真帐,这些东西在University 里学不到却是实际工作所需。

在培训方法上, Lucy也注重让学生自己发现问题,自己想办法解决问题,实在解决不了再给以指点。

这样学生学到的就不仅是死知识而是解决实际问题的能力。

这种能力正是实际工作所需要的。

还未毕业我就在Lucy的帮助下找到了一份不错的工作, Lucy总是耐心解答我在工作中遇到的难题。

在这里我要衷心地道一声: 谢谢你! Lucy.

- 赵鹏

非常感谢Lucy Chen Accounting & Bookkeeping Training Course 给了我学习和实践经验的机会,让我在大学毕业找不到工作的情况下,积累了一定的经验,对自己有了更多的自信,也找到了一份不错的工作。

在澳洲找工作,没有工作经验的话,想找到一份和专业对口的的工作实在是很困难,除非运气特好,否则都要找上很长一段时间。

但是我觉得只要在这边学了,有了一定的技术,自己就会很有信心,找工作的时候就会比较有竞争性。

比如说,招工广告列出好几条对bookkeeper的要求,如果你自己亲身做过的话,就会比较有自信,敢于去apply这份工作。

如果只是大学书本里面的工作的话,只能是对招工广告列出的要求有个模糊的印象,在没有人指导的情况下,是根本没法做的,只会把公司的帐给做坏了。

举一个我现在正在工作的公司的例子,之前的那个bookkeeper就是缺少实践经验,把客户定的order做成invoice,日期是定order的日期。

在Lucy这边学过的学生都应该知道,这样是不对的,当货没有运到客户那边时就不应该记成invoice,更不应该寄invoice和statement给客户。

这样做还有一个不良后果,让公司的account receivable 无形增加,还有就是客户欠款日子好像很长了,其实根本没有那么长。

在Lucy这边学过的学生都不会犯这样的错,大量的真帐练习,让我们自己可以体会到这样的帐应该怎么做,帐于帐之间的联系应该时如何。就算换了MYOB以外的软件也可以游刃有

余。

如果没有在Lucy这边学习的话,估计我还是在盲目地在报纸上和网上发简历,找工作,根本不会这么快找到与专业相关的工作。

在此,我要再次感谢Lucy的教导,她既是我的良师,也是我的益友。我衷心希望Lucy的这个training course 可以让更多人受益,帮助他们实现自己的事业目标。

- Helen Li

完成LUCY的MYOB簿记培训不到一周我就找到了一份满意的簿记工作。

这一切都要归功于LUCY独特的MYOB簿记培训。

和其它MYOB簿记培训相比, LUCY的培训有其明显的特点。

LUCY本人是CPA会计,有着丰富的经验,她很清楚一名好的簿记员需要具备些什么能力。

在培训内容上,她采用自编教材教授簿记知识。

这些知识不是单纯的书本东西,而是根据她多年的会计经验总结而来:系统而又实用。

事实证明我在培训中学到的知识能很好地运用到我现在的工作中。

在培训方法上, LUCY也独具一格。不同于一般的老师讲,学生做的传统教育,她还很注重培养学生自己解决问题的能力。

比如当她讲PAYROLL部分的时候,她会先给我们一个CASE,让我们自己尽最大的能力完成她所提出的任务,然后针对我们在完成任务的过程中所碰到的问题进行针对性地讲解。

这一教学方法使我受益颇多。

在找工作的过程中, LUCY也给我很多的帮助,尽管这已经不是她的培训范围。

她总是鼓励我相信自己的能力。可以说在面试中是我在LUCY那里学到的簿记技术和自信赢得了这份工作。

在这里我要衷心的感谢LUCY,如果没有参加她的簿记培训,我不可能得到这个难得的工作机会。

借此机会祝愿LUCY的MYOB簿记培训能使越来越多的人受益。

找工作是一件很痛苦的事情,我寄了好多简历,一次次的被拒绝,而且每次被拒绝的原因都是缺少工作经验,真的很无奈。

就在我最无助的时候,我突然想起了朋友提起的会计培训,我马上跟LUCY联系。

我没有想到开始培训之前还要通过一个Entrance Examination,在准备不足的情况下我failed第一次考试。

那是一次沉重的打击,但是同时也让自己意识到Practical Skills 的不足。

Lucy Chen Accounting Training Course 不仅让我学到了很多在大学里都没有接触知识而且使我对会计这个行业有了更多的了解和更多的兴趣。

大学的学习很枯燥无味。相反的,在Lucy这边每天都学习新的内容,每天都面对新的挑战,真的收获不少。

在学习当中, Lucy不断地鼓励学生回答问题,每个学生还要做Presentation,锻炼了Communication Skills。

我还记得在我去Interview之前的一天, Lucy让我做了一次模拟的面试,问了我很多会计相关的问题,让我在正式interview的时候得心应手。我觉得Lucy这样的教学方式很独特,很有针对性。

如果没有参加这个Training,我想我不可能这么快找到工作。

更重要的是,我能够把学到的知识运用到我的工作之中。

我第一天上班做的就是BAS。

因为我在Lucy这已经掌握了这方面的知识,所以能够把我的任务准确无误的完成,我的Manager对我第一天的表现很满意。

很感谢Lucy的教导,也希望每个参加这个Training的同学都能够学到这些重要的 Practical Skills,早日成为优秀的会计人才。

Lucy 您好!
我是Mark, 您近来好吗?

万分感谢您在过去半年多的时间里对我们的教诲,使我们具备了过硬的知识和技术,而后成功的踏上工作的岗位。

回想起一年前刚刚毕业的时候,对找工作还是一片迷茫。

大学里面老师只教过理论,做过的Assignment和实际工作中并没有多少联系,所以连自己心里面都不知道自己能做些什么。

曾一度硬着头皮四处发简历,等到的只是无数的reject letter,没有相关工作经验,是很难有公司会请的。

终于有一天,在一份报纸上见到了 LUCY CHEN 的广告,“90 天真帐经验”再加上MYOB的全面训练。我对自己说,这正是我需要的东西。

参加了Lucy的课程以后,我体会到这绝不紧紧是单纯的MYOB 作帐培训。

Lucy是一个十分负责的导师,您鼓励我们自己思考所有可能遇到的问题,培养我们独立,注意细节和探索问题的能力;对于我们不懂的方面,您总是耐心的给予指导,务求让每一个学员都能彻底的明白;您还让我们重复的练习各种真帐,让我们的技能精益求精。

Lucy还指导我们怎样树立自信,怎样积极的回答面试时遇到的问题。

这所有的一切,都对我们日后找工更加的有力了。

在我带着自信和知识再度开始找工,我发现一切都明了了,简单了许多。

几个Interview下来,就有公司发了offer letter 给我。之后公司老板说是我的自信和熟练的MYOB Skills 让他相信我可以胜任。

开始工作之后, Lucy 还关心的通过电话对我所遇到的问题给予指导,这让刚刚踏上职场的我们没有了后顾之忧。

我再度的衷心感谢 LUCY 给予我们的帮助。

一封短信,附上照片一张,希望与大家分享这份历程与喜悦。也祝愿LUCY您工作顺利,身体健康!

在这三个月的Training中，不仅巩固了我的会计基本知识和理论，还掌握了在大学的会计软件操作和实践经验。每一个case study都很有代表性，而且是real business cases。

通过这些练习，积累了丰富的会计经验。我现在已经找到了一份合适的会计工作。

我相信如果没有Lucy的帮助，不可能这么快就找到一份喜欢的工作。

My name is Helen Ly. I am writing express my gratitude to Lucy Chen - the outstanding instructor of the Practical Accounting Training.

I am working as a book keeper in a medium size construction firm.

My duties involved preparing monthly financial reports, monthly bank reconciliation, employee payroll, account payable and receivable, quarterly BAS.

Due to the complex nature of our business, I sometimes found myself unable to complete all tasks in the most effective and efficient manner.

I felt uncertain in some aspects of the MYOB application and how to best apply accounting principles to my tasks.

Upon successful completion of the 12-week Practical Accounting Training course offered by Lucy Chen, I felt that I have not only learned the hands on accounting knowledge, which I can apply to my works, but I have also gained more confidence in tackling more complicated tasks.

In addition, Lucy Chen's on going support and guidance enable me to further develop my skills in my accounting career.

I sincerely believe that this training course provides the most valuable and practical knowledge for anybody who considers a professional career in accounting.

在LUCYCHEN 的培训中心學習結束剛一個月的時間，我就找到了一份非常滿意的工作。這對於我來說簡直就是意外的驚喜。

回想起來這份驚喜完全歸功於 Lucy Chen 的會計培訓課程。

從DEAKIN畢業後，知道朋友在這裡學習MYOB，還懷疑在學校裏已經學過MYOB，不就是一個軟件的使用問題，有這個必要花5000元學習嗎？

但看到朋友學完後找到了工作，而且工作中要用的全是LUCY教過的。

我想就發生在眼前的成功經驗為什麼不學習呢？於是我毫不猶豫的而且是迫不及待的參加了培訓學習。

我學到了很多東西，受益匪淺，學到了豐富的會計實踐知識，LUCY的嚴謹和良好的職業道德，在完成了INTERVIEW SKILL后，學會了以EMPLOYER的眼光審視自己，我具備什麼，還欠缺什麼。

建立了自信，也知道在哪方面還需要繼續努力。

所有的這些再加上自己的努力，使我順利的找到了工作。

再次我要衷心感謝LUCY，沒有她的幫助、鼓

勵和培訓中心的學習，要找到我現在這樣的工作根本就是不可能的。

我很慶幸我自己當初的選擇，也希望有更多的人借鑑成功的經驗，找到滿意的工作。

I would like to recommend Lucy Chen Accounting Training Course to someone who wants to improve their bookkeeping skills and considering accounting as a future career.

Lucy Chen Accounting Training helped me to get my first job.

When I finished my university studying, I could not get a job because I don't have relevant work experience.

Lucy Chen Accounting Training Course is really helpful I have got my first bookkeeping job after I finish this training.

Lucy Chen Accounting Training Course is quite different from other course, Lucy uses her own training materials based on real world experience.

Lucy is an experienced accountant who knows what skills a good bookkeeper should have.

She provided us a lot of different case studies by using real world transaction documents for practice.

I feel very confident after I finish this training. I have not only gained solid accounting skills but also practical accounting work experience during this training.

Lucy also helped me to improve my resume and interview skills in the training.

In addition, Lucy Chen always willing to give me great support when I had any problems in my job.

I would like to thank Lucy Chen for the help and effort she puts on me.

This is to testify that -

Ms Lucy CHEN once (at June, 2000 to July,2000) provided me - Jo Zhuomin ZHANG of 7 Alma Court, Springvale VIC 3171, trainings and tutorials at computer accounting package: MYOB.

During this training period, Ms CHEN proved herself to be a thorough and very responsible person of solid accounting background and extensive MYOB knowledge.

And I found Ms CHEN's lessons most simple clear and practical.

And her tutoring therefore had been very helpful for me in my real working situation.

Yours truly,
Jo Zhuomin ZHANG

Dear Lucy Chen,

I am happy to inform you that I have found a job after three-month MYOB training at your place.

I am very happy with your hands-on training and professional advice.

The most important thing I learned during that three month training was that I knew how to act and talk as an accounting professional.

The training at your place was really helpful in my professional accounting career not only because of the MYOB training but also the thoroughly understanding of the accounting process system.

The three-month training at your place was an important step for me to enter the accounting profession.

I would like to thank you again for the help and effort you put on me.

For those you might start your study at Lucy Chen Accounting Group, I would like to say it is a smart choice, and sooner or later your effort would be paid back.

- Jerry

LUCY CHEN Accounting & Bookkeeping training不但提供了初級和高級的會計知識，而且LUCY將MYOB和會計的技能非常自然的融合在一起。

所以，學完培訓課程后，我得到了許多有用的知識而且有助於我儘快適應自己的工作。

有力的後盾是LUCYCHEN Accounting & Bookkeeping training的特色，所以即使在課程結束后LUCY始終是你的技術支援。

備我有MYOB、會計或是稅務上的任何問題時，LUCY總是非常樂意和耐心地幫助和指點我。

謝謝你，LUCY!

I feel myself extreme lucky that I have this opportunity to tell others about my experience at Lucy Chen.

And I really appreciate Lucy for her guidance, patience and the opportunity she gave me.

Like many of you who is about to graduate, when I was a fresh graduate a year ago, I found the most difficult thing about finding an accounting job was the lack of relevant work experience.

So when I saw Lucy's advertisement, I did not hesitate and called her immediately. I am so pleased with my decision today.

I have to admit that even back then I had studied accounting for a few years and thought I was pretty good at it, the first test was a complete shock to me and at that moment I realised there are so many things to learn and the experience really counts.

What you are going to gain from Lucy's training is not merely how to operate the bookkeeping software.

For those who want to find a career in public practice, what you are going to learn is how the accounting principles really work in the practice, the interaction of the accounts and most importantly, how to build a solid foundation about the accounting fundamentals.

For others who is looking for a career in the commercial field, that bookkeeping experience you have will make your first job a piece of cake.

About Lucy, what should I say, you wouldn't find a teacher who is more patient, encouraging and worthy of

her profession.

Her experience and insight about the accounting system is the most invaluable resources you could tap from her course.

If you have never worked on an accounting job before, your view about accounting as a boring, number crunching profession will be changed forever.

I am working in a public practice now. Although my day to day work is slightly different from what I did in Lucy's course, the knowledge I gained there about the accounting process and accounting principles is helping me to solve the problems on a daily basis.

What I really want to say is experience is so important, without Lucy's training, I can not do my current work effectively and perhaps I will never have the opportunity to do it.

If you are still looking for a place to start your career in accounting, Lucy's course is definite what you should try, it worth it.

近幾年來，MYOB Bookkeeping 軟件日漸成為普遍，由小型至中型以上的公司等機構幾乎都用上了MYOB。

因此MYOB Bookkeeper就成為廣泛需求的工作。

過去，我花了很多時間去讀bookkeeping manual、Accounting和MYOB Bookkeeping。

到頭來看到很多需求有經驗的MYOB bookkeeper的職位空缺廣告，自己也沒有把握，因為以前學MYOB時，都是依照書本一頁一頁翻過去練習，沒有見過所謂的“會計師樓真帳”自然就沒有實際的工作經驗。

有一次，無意看到LUCYCHEN簿記培訓登在“廣告天下”的廣告，裏面強調會計師樓真帳實習，使你擁有高人一等的工作經驗。

半信半疑，但還是根據廣告地址找到LUCY CHEN簿記培訓的學校。

當時有好幾位學生在練習。

我留意到學生的電腦旁邊有大量的公司TAX INVOICES，LUCY解釋說那就是會計師樓的真帳。學生們在做真帳實習。

之後，我就在LUCY CHEN 培訓中心讀了三個課程，果然感覺到好像做了三個月的MYOB BOOKKEEPER那樣，學了很多以前讀MYOB時沒接觸到的真帳經驗。

離開LUCY CHEN培訓中心後的頭一個月，我就找到一份合適的待遇好的MYOB BOOKKEEPER工作。頭一天的工作就駕輕就熟。

因為在LUCY CHEN簿記培訓中心學習再加上自己的努力，就會日後對MYOB充滿信心。

Sunny Duong

大學畢業以後，由於缺乏實際工作經驗，所以一直未能找到對口專業的工作。

我一直想尋找一個能夠提供實習工作機會的會計培訓機構。

當我看到LUCY CHEN的會計培訓廣告後，我就打電話進行了諮詢，在反復的諮詢和比較後，我就報名參加了MYOB的初中級培訓班。

由於LUCY CHEN所編制的練習資料是一套完整的公司會計資料，經過短短的兩周時間的培訓，我完全可以用MYOB去完成BOOK-KEEP-

ING的各項工作。

同時，經過LUCY CHEN的詳細講解和分析，我對會計工作有了更深入的認識，並在隨後的會計工作面試中也表現得很有信心，成功地為自己找到了一份合適的工作。

我真的十分感謝LUCY CHEN，是她幫我開闢了新的職業生涯。

另外，LUCY CHEN的會計培訓還提供很好的技術支援，可以幫助你在以後的實際工作中解決各種新的問題，這對一些新入職場的人來說，十分重要。

如果您也在尋找合適的會計培訓機構，那LUCY CHEN的會計培訓課程一定不會讓你失望的。

Lucy 您好，

我是Wendy,您好嗎?

非常感謝您在過去半年多的時間里對我的指導和鼓勵。

參加了您的“90天真帳經驗”培訓，使我積累了寶貴的會計工作經驗，從而助我成功的踏上了accountant career。

回憶起剛畢業後我曾一度很茫然，每天對着網上發簡歷，心里却是很不踏實，因為對招聘廣告上所描寫的job duty我一點概念都沒有。Account receivable? Payable? BAS等等對我來說如同天書，甚至對於現在最流行的MYOB會計軟件我也不會用。

一個半月過去了，我的簡歷如同石沉大海，音訊全無，這個時候我知道我需要尋找一些途徑，先充實自己的知識。

一個很偶然的机会，我來到了Lucy的辦公室，得知我可以參加她辦的MYOB真帳培訓，心想這是一個机会，讀了這個課程，我起碼可以把MYOB這個軟件掌握的很好。

當Lucy問我讀這個課程的目的時，我就把想法告訴了她。

但是Lucy說這裡的課程不單單是對MYOB的培訓，最終的目的是通過使用MYOB做真帳練習，把我們培訓成一個全面的會計人才。

那時候的我对她的這句話還不能完全理解。但是還是抱着希望參加了她的課程。

時間一天一天的過去，我越來越能體會Lucy的話的含義。

在那3個月的時間，我過得充實，因為我學到了很多會計的專業知識；我過得踏實，因為我的導師Lucy是一個非常professional的和敬業的會計師，和她一起的這日子我學到了會計人員所應該有的素質和職業道德；我過得開心，因為當我再次面對招聘廣告上面的job duty時，我不再茫然，我知道我可以勝任了。

Lucy，再一次衷心的感謝您給予我們的幫助和支持，祝您工作順利，身體健康！

I graduated at the end of 2005 year in accounting major. When I graduated, I faced a bleak and uncertain future because so many of my friends finishing accounting major have not found jobs either because they were lack of experience or they were not as complete as a native person who speak a fluent English.

However, I so fortunately, at that time, happened to see advertising on the newspaper about Lucy Chen Accounting & Bookkeeping training course and I took part in that course immediately without hesitation.

After joining in the Lucy Chen accounting training class, I really learnt all-around practical knowledge associated with accounting sphere, which covers almost all the areas that employers generally expect from candidates ranging from various small to big industries to professional accounting firms.

Actually, Lucy's class enriches my accounting knowledge as well.

Lucy's class emphasis on the cultivating the self solving problem skills, which is a unique feature contributing to the success of students' later careers.

These solving problem skills actually imitate the real working environment which later on I experienced and help me to get familiar with it before I get a start.

Here, I shall say thanks to Lucy who helps me to realize my dream.

Wish more and more people will anticipate in Lucy class and make their dreams come true.

親愛的LUCY,

通過在這裡的學習，我成功的跨出了找工作的第一步，Lucy非常重視學生的綜合素質，她經常把工作中可能遇到的問題綜合在一起讓學生自己發現並借解決。而這兩項正是公司老闆最看重的。

如果你具備了這兩樣素質，並有扎實的會計基礎，那你在澳洲找到一個滿意工作的夢想一定能實現。

My name is Michelle Giang, I graduated my Bachelor of Business-Accounting in June-2005.

Since then I sent a lots of resumes to different firms of industries for various positions such as accounting clerk, book-keeper, assistant accountant but they all refused my applications even though I have 3 year experience as a bookkeeper in telecommunication industry and Degree Certificate shown on my resume.

Then I was lucky to be referred to Lucy Chen Accounting Group Pty Ltd from where I was trained as a thorough bookkeeper and assistant accountant from the very basis accounting principles, which I am sure that Universities are rarely taught about it, to the real solid accounting knowledge and practical experience which I have never been explained clearly in University or done in workplace.

These cornerstones and real practical experiences helped me to become a confident applicant for any companies that I applied for.

Furthermore, I also gained an extreme valuable experience from Lucy Chen who taught me how to search materials to expand my accounting knowledge, experience, how to encounter and solve problems in relation to accounting issues, and how to perform as a valuable employee in any firms.

After having finished "Bookkeeping and Accounting Course" in Lucy Chen Group, I found a job one month later.

My wish is to work for a professional accounting firm and now I am working as a Finance & Accounting Clerk for a Chartered Accountants & Auditors firm where it is impor-

"I study in LUCYCHEN Accounting last year.

In the beginning I was a little bit careless of this study journey because I didn't like accounting, the later and later I found myself was behind other students.

Fortunately Lucy gave me some extra lessons later, and I found I need to work hard and think the process of doing adjustments again and again.

After working I found a lot of knowledge if I didn't study in Lucy Chen I would not know. So studying here I got a desire to know more and more in accounting area, and I also do a lot of research myself at home and read accounting books.

It is very important step to study here in your career of accounting or whatever, because you know how to do your career well.

Good luck

"找工作有时是一个漫长而又痛苦的过程，尤其是当你缺乏相关的工作经验和良好的面试技巧。

回头看看自己的找工作经历，真是觉得的确是需要人从旁帮助和指点，而Lucy无疑就是这样的一位良师益友。

在我看来，已经没有必要再去重复LUCY在会计领域里的专业能力和这个TRAINING COURSE的作用，这满墙的推荐和感谢就是最好的证明。

我想说的是，除了全面的BOOKKEEPING技能和会计税务知识，我还学到了什么是一个优秀的ACCOUNTANT应该具备的综合素质和职业道德。

或许这比起单纯的专业知识和技能，来得更为重要和宝贵，它帮助你的可能不仅仅是找到一份工作，它可能会让你的整个会计职业生涯都受益。

回忆在这里的这些日子，点点滴滴，一步一步，都让我想由衷地对LUCY说声谢谢。

作为老师，你教给了我很多的专业知识和技能；作为朋友，你在我面试失败，找工作受挫时，给予了我很多的鼓励和帮助。

朋友，如果你也为了找不到一份满意的会计工作而痛苦和烦恼，为什么不来找我一下LUCY这样一位良师益友呢？

Degree, experience and confidence are the three major elements to help us find a satisfied job.

I know lots of us studying in Lucy Chen Accounting Firm have already got a bachelor or master degree for some time but still looking for jobs in the accounting field. It is very hard to move the first step forward when we don't have experience and confidence.

I think I am quite lucky to get to know Lucy from the newspaper shortly after I moved from Sydney when I was looking for jobs in Melbourne. At that time, I didn't have any idea what kind of job I was looking for, then I think studying in the accounting firm may help me learn something.

And later my study experience tells me that I made the right decision. At the early stage of the studying, Lucy asked me to finish a few cases for difference type of company. Before that, I didn't have any experience in bookkeeping, and after struggle I did finish it and pass Lucy's assess. It built up my confidence and experience quickly.

I was told it is the best time to look for new jobs after New Year, I began to send out Resume to potential employers after New Year holiday.

And it took me only one week to pass the interviews and skill test and got the job offer. Sometimes I may think I am lucky, but I need to say Lucy play an important rule to help me get the job because she help me to gain some experience and build up the confidence.

I think Lucy can offer us these two very important elements that most of the Accounting graduates don't have when we just finish the university study.

I sincerely hope Lucy's business will become better and better!

"我非常荣幸的能在此分享我这几个月来参加LUCY真账培训的感受，也非常高兴能借此机会表达我对LUCY衷心的感谢。

正如你现在正在看这封信时的心情，随着几百封简历的石沉大海，几个月前的我同样觉得心灰意冷。

纵然有着对事业前途的满腔热忱，现实中的希望之门却迟迟没有打开。

但是六月的一天，幸运的我推开了LUCY培训中心的大门，我的事业从此翻开了新的篇章。

在接受培训的这几个月里，首先让我感受颇深的是LUCY对于会计这份职业严谨负责的态度以及优秀的职业道德。这种品质在培训期间潜移默化的影响了我，使我明白与接受了作为从事会计人员应具有的职业道德和品质。

其次，在整个培训过程中，我也特别受益于LUCY这种理论与实践相结合的培训方式。

LUCY对于问题的回答非常耐心和认真，并且善于鼓励我独立思考和解决问题。

在这种谆谆善导之下，我不但掌握了会计软件的运用，账目的记录，更重要的是了解的各个科目之间的关联，增强了对公司会计流程的了解，并对实际操作产生了一定程度的认识。

因此，在结束整个培训后，我从整体看问题，从细节解决问题的能力得到了大幅度的提高。

对于我来说，LUCY不仅仅是我的良师，更是像亲人一样的给予我帮助。

LUCY常常在鼓励与肯定我能力的同时，毫不犹豫的指出我的缺点并督促我改正；在我遇到困难的抉择时，经常帮助我分析问题和提供建议。

LUCY总是在我需要帮助的时候，毫不吝啬的伸出援助之手。

一个月前，熟练掌握了会计技能并充满自信的我成为了一家CIVIL CONSTRUCTION公司的ASSIS-TANT ACCOUANTANT。

通过自己的不懈努力和LUCY的帮助，我的事业之门终于打开。

我在此衷心的感谢LUCY和她的培训课程！

Studying at Lucy Chen Accounting group has provided me with wide exposure to range of accounting activities including accounts receivable/payable, payroll and tax.

Such broad knowledge base is highly valued in the industry as it has enabled my job application to stand out amongst strong competition.

My current employer was highly impressed with my work experience at Lucy Chen Accounting group.

Whilst Lucy's comprehensive program ensured that my practical accounting knowledge increased immensely, her teaching methods has also encouraged me to analyze problems and utilize the knowledge I acquired to solve new situations.

The combination of broad practical exposure and enhanced analytical ability acquired through Lucy's program has instilled strong confidence in me to adapt to new tasks at work quickly.

I would like to express my sincere gratitude to Lucy and strongly encourage accounting students to undertake Lucy's practical accounting course as this program is truly developed to enhance your employability in the accounting profession.

"在LUCY这里学习虽然只有短短不到3个月的时间，却使我收获到过往多年都不曾赋予我的机遇与成果。

半年前，刚刚走出大学校门的我，只凭借在学校里取得的一纸文凭，根本无法与众多经验丰富的求职者一争高下，每次等来的都是委婉的拒绝。

在咨询了朋友的意见与经验后，我最终选择了来LUCY这里参加会计培训。

在这里，LUCY手把手的耐心指导和她们一丝不苟的敬业精神使我深受鼓舞。

几个月的时间，我不但掌握了以前所欠缺的MYOB实帐经验，更培养了自己对于工作的热爱与责任感。

课程还没有最终结束时，我就找到了自己的第一份工作！而且实际工作中更加感受到LUCY授课内容的实用性，可以说LUCY的实帐经验是我这个职场新手最坚强的保障！

所以我希望用我的经验给予那些还在为应聘发愁的毕业生们一个启示：不要再犹豫了，go for the experience, 选择LUCY是你迈向成功的第一步！"

"It's been three months since I started to look for an accounting job.

I sent hundreds of resume to different companies.

The most I've got were rejection letters.

Of course I had very few interviews, but I failed because I had no job experience.

Fortunately, I found Lucy Chen Accounting Group, where not only I can get real job experience and the help with resume and interview, but also I can build up real practical accounting knowledge and skills accordingly.

Maybe as some of others, I wasn't so confident about this training thing at the very beginning of training.

But after a few days of trainings by Lucy, I had no doubt that I can find a good job when it ends.

And of course, I did find a nice job and enjoy my job very much.

Through my training period here, the only thing I could prove by myself is Lucy is so professional at both accounting and training that you will never regret to be here, to learn, to practice and eventually to find a good job successfully.

In this limited space, there are so many things I want to say about Lucy and her training as many others walked out this training and are doing their jobs in the really world.

All of them become thanks at the end.

Thank you so much, Lucy! I appreciated every single thing you have done for me.

At last, I want to say that I am so proud to be one of Lucy's students.

And it's absolutely worthy taking training in Lucy Chen Accounting Group.

"...I am always longing for building up my career in the professional field of accounting and finance.

However, the lack of working experience makes it a tough mission in Australia.

Occasionally, I was introduced by a friend to Lucy Chen Accounting Firm.

During the two months' training course based on REAL cases, I was empowered with the professional abilities and skills to solve the REAL problems in bookkeeping and accounting.

With the help of Lucy Chen, I've got my first accounting job in Australia.

During my probationary period, I didn't encounter any difficulties as all the required skills I've already learned in the training course. Lucy Chen, a CPA with many years' experience and certified trainer, encouraged me to thoroughly understand practical accounting system and answered my questions with great patience.

She also trained us to deal with interviews by suggestions and tips, which helped me a lot during the interview.

Here I would like to thank you, Lucy Chen! And best wishes for the students of Lucy Chen and have a prosperous future!"

大家好！我是Alice。我在2007年8月开始在 Lucy Chen Accounting Group学习。

我的情况和其他的同学不太一样。我不但没有 experience 也没有Accounting 的学历。

当我第一次参加entrance exam, 我连什么是 perpetual and periodical accounting system 都不知道, 所以第一次的考试当然是没有通过。

经过一个星期的学习, 我在第二次考试中通过。

Lucy在给我上第一课的时候, 就发现我的基础比较差, 所以给了我很多的帮助。

首先, 我先说说这个training。

Lucy is a very knowledgeable mentor with extensive experience in Accounting and teaching. She encourages students to think and try in order to learn from the mistakes.

我们每天做的也都是真帐, 每天都可以学到很多东西。

其次, 是Lucy在找工的时候给我的帮助, 在training快结束的时, Lucy帮我一边又一边的改简, 简历发出后不久就有了好几个interview.

Lucy 又帮我分析job ads and job descriptions, 并在我每次面试前给我强化模拟interview把有可能问到的问题一边一边的练习。

每次interview完Lucy帮我一起总结经验教训。

几次interview之后我顺利的找到了我现在的工作的Accounting Firm。

我非常感谢Lucy在我找工作最需要帮助的时候给了最大的帮助。

我能找到现在的这份工作和Lucy的training 和帮助密不可分。

当别的同学还整日为找工作愁眉不展时, 我在自己喜欢的公司里开始了相关的会计工作。

大家都认为这太神奇了, 因为我刚结束了学校的毕业考试, 就可以开始工作。

而我知道这都源于我三个月前的一个明智的决策 --- 参加Lucychen Accounting 培训。

在三个月里, 我用课余时间到这里学习MYOB及相关课程。

虽然过程很紧张、辛苦, 但我觉得一切都是值得的。

因为在这里我不仅学到了学校没有教授的实际操作技能, 更重要的是Lucy教会了我做为一名专业Accountant应具备的素质—认真、执着。

Lucy 谢谢你

很多人都梦想在澳洲找一份好的job。我也曾怀揣着这个梦想试着去寻找, 但是很多次都是无功而返。

原因就是因为我我没有experience, 看到用人单位苛刻的条件, 见到用人老板挑剔的眼神, 我曾经一度迷茫。

冷静下来思考, 我摆正了自己的位置, 没有会计经验就是给我一份工作, 我也不知如何去做。于是我找到了 LUCY CHEN, 来到了这个梦想开始的地方。

经过一段时间的学习, 我对澳洲的会计又有了一个全新的了解和掌握。LUCY的教学方式是我未曾遇到的, 她一切从实际出发, 我们每天学习的课程完全就是会计工作的实际操作, 也就是说现在我们所学习的, 就是以后我们在工作中天天会遇到并需要解决的问题。

在training中遇到问题,LUCY也不是会上告诉我, 而是让我自己先思考, 当我实在不知道怎么办的时候, 她再给我以点拨,这样就使我对工作中遇到的问题记忆的非常深刻。

所以经过学习, 我重拾信心。

我现在已经被一家进出口贸易公司聘用, 感到很满足。

有经验和没有经验的差距就在这里, 没有经验的时候是我找工作, 有经验的时候是工作找我。

真的非常感谢LUCY, 感谢她对我的培育和教诲,让我具备了知识和技术.同时也愿这个training 能让更多的人受益。

希望所有和我有类似经历的人都能在澳洲找到一份满意的工作和一片属于自己的天地。

真的很感谢你,LUCY !

通过在Lucy这里的学习，我不仅学会怎样运用MYOB，而且Lucy教我如何将书本上的知识和MYOB结合起来为客户服务。

这使我在以后的面试中充满自信，因为所有技术上的问题通过在这里的学习已经不是问题了。

Lucy对我的帮助不仅在于教会我如何使用MYOB，而且她会针对我每次的面试帮助我总结经验教训，分析每一个面试的问题，提供各种可行性的建议。

尤其重要的是当我每次遭遇面试失败时，对我在精神上的鼓励和支持，使我在下一次的面试中表现的更好。

感谢LUCY。
- Ji Lan

非常感谢Lucy老师在这一段时间里对我的帮助。在我去年刚刚大学毕业的时候，从来没有想过找工作这么的困难，我发了无数的简历，全部石沉大海。我非常的沮丧，就在我快要失去信心的时候，一次偶然的的机会，我在广告上看到了LUCY老师的培训，于是我抱着试一试的心里参加了培训，我相信即使找不到工作我也可以学到很多东西。

果然，LUCY老师的会计培训资料十分全面，非常实用，很有价值。

平时，老师对我们的要求十分的严格，这对我的帮助很大，使我改正了许多的毛病，可以说是受益匪浅。在我遇到专业技术问题的时候，老师给与了我非常耐心的指导，并使用她从20年来积累的丰富经验解答了所有的问题。

就在我对工作十分迷茫的时候，老师又凭借她丰富的经验，给与了我莫大的帮助，在工作的方向上，她给了我很多的建议；简历也是老师一遍一遍修改的；她还积极的帮助我准备电话面试和面试，准备一些经常会碰到的问题；另外，老师的面试技巧材料也是非常的实用，成功的转变了我在面对电话面试和面试时候的心态，简直就是找工作的“葵花宝典”。

在老师的积极鼓励下，我又开始发简历，和以前不同的是，现在，我信心十足。果然，在接下来的时间里，电话越来越多了，面试也越来越多了。

最终，我找到了一份满意的工作。

现在，我非常相信老师经常说的一句话，只要技术过硬，到哪里都不怕。

同学们，无论如果你是刚刚从大学毕业，对找工作没有任何心得，还是经历了无数找工作的挫折，我都强烈建议你到LUCY老师这里学习，你会学到很多技术上的知识和找工作的技巧。

-YANG YANG

在我从大学毕业以后,就开始了艰辛的找工作历程. 但是,对于我这样一个没有任何工作经验的人来说, 想找到一份正式的会计工作是非常困难的.

无数封简历犹如泥牛入海, 面试机会屈指可数. 随着时间的流逝, 我几乎已经绝望了.

一次偶然机会我知道了LUCY的真帐培训, 抱着试一试的心态我报了名.

上课的第一天我就感到了LUCY那种严谨的教学态度以及她为学生创造的紧张而又不失活跃的氛围. LUCY的教学方法与学校的最大不同就是, 重在实践. 她总是先让我们在了解知识基础上, 配合实际操作来真正做到融会贯通.

LUCY丰富的会计经验使她能够给我们准备最全面和专业的案例. 而她的严格要求又使我感到这并不是普通的学习, 而是一种工作的考验.

经过一段时间的学习, 我对会计知识有了全新的认识, 通过各种真帐联系, 积累了相当的的实际工作经验, 这些都成为了我以后工作时的宝贵财富.

在LUCY的帮助下, 我最终找到了一份满意的工作. 上班后, 当我面临种种困难时, 我第一个想到的就是LUCY.

当我给LUCY打电话时, 不管多么繁忙, LUCY都总是尽心的帮我解答. 虽然工作时间不长, 但是老板对我的表现非常满意.

直到这时, 我才深刻的体会到了对我来说, LUCY教给我的最重要的东西不是知识和经验, 而是那种永远都追求更高更好的严谨和认真的态度. 这种态度使我在人生中迈出最关键的一步.

- Larry

在Lucy这里学到的东西，使我在今后的工作中受益匪浅。

Lucy的培训不只提高了我会计知识的专业性，也同时培养了作为会计的工作素质。

在培训当中，Lucy总是强调工作效率，在工作过程中我才理解到Lucy的用心，因为你可能面对挑剔的上司，严格的老板，只有准确有效的工作，才是面对唯一解决途径。

在培训过程中，Lucy耐心的指导与严格的要求，使我面对不同会计领域的工作时，也可以比较快的上手，可以想象，如果没有这些实践培训工作经验，那会是非常痛苦。

在我找工作的过程中，Lucy也针对不同的应征要求，帮我分析以及耐心指导面试可能遇到的问题，是我在面试过程中，可以有信心的应对，有一个更好的平台去展示自己。

在此，我对Lucy表示衷心的感谢。

Dear Lucy,

I am writing to express my deeply gratitude for your help in my job hunting and accounting career building.

After six months practice accounting training, I found an Assistant Accountant position in Abesta International Pty Ltd which is a middle size company in north Melbourne.

At the initial three months of the training program at AAPA, I learnt the basic theory of accounting knowledge, such as business letter writing, BAS preparation, Payroll system building and detail procedure, financial report preparation and adjustment. Moreover, Individual, partnership, company and trust tax return are very important parts in theory study.

In the next three months, I have been sent to Lucy Chen Accounting group, at where, combining theories and practices, I have been allocated a great number of real cases with supervision. The duties involves, but not limited, accounting service package for companies from end to end, namely data entry, reconciliation of general journal and bank, quarterly BAS lodgement, adjustment depreciation, tax return at the end of financial year and preparation of financial reports.

Through those challengeable practices, my accounting skills have been integrated and shaped, and it becomes the most persuasive strength that reinforces my future career path.

At the end of intern, we have also been offered a professional training regarding the resume marking and interview skills. With your kind helps, I have improved not only the accounting skills, but the personality and confidence, that all made crucial effect in my job hunting.

All those have to attribute your and your training program.

Thank you Lucy!
